ABSTRACT

Blinn College final course grade distributions are summarized for spring 1990 to 1994 in this four-part report. Section I presents tables of final grade distributions by campus and course in accounting; agriculture; anthropology; biology; business; chemistry; child development; communications; computer science; criminal justice; drama; emergency medical; English; fire technology; French; geography; German; history; health; kinesiology; legal secretary; math; music; nursing; office technology; philosophy; physics; psychology; radiology; real estate; sociology; Spanish; speech; technology; vocational nursing; and word processing. Section II consists of longitudinal final grade data for Blinn College, Brenham campus, Bryan campus, College Station campus, Occupational Education Center, and other teaching sites. Section III provides 1990-94 spring grades for the following divisions: business and computer science; developmental education; fine arts; health and kinesiology; humanities; mathematics and engineering; natural science; occupational education; and social sciences. Section IV focuses on duplicated enrollment, by and within divisions, for spring 1990-94. Selected findings include the following: (1) since spring 1990, the social science division has had the highest duplicated enrollment, followed by the humanities division; (2) the health and kinesiology division had the highest percentage of A's, with A's representing over 60% of the grades assigned each year from 1990 to 1994; (3) the mathematics and engineering division had the highest dropout rate, with rates ranging from 21.9% to 32.2% during the study period; and (4) the developmental education division assigned the highest percentage of F's. FINAL GRADE DISTRIBUTION REPORT
FOR SPRING, 1994, SEMESTER

This report summarizes the final grade distributions for the spring, 1994, semester. The report is divided into four sections. Section I depicts the final grade distributions for the 1994 spring semester, by course and by campus. Section II consists of longitudinal final grade data by campus. Section III contains longitudinal final grade data, disaggregated by division. Section IV focuses on the duplicated enrollment, by and within divisions, for the spring semesters of 1990 through 1994. Data similar to that contained in Section I has previously been distributed for each fall and spring semester since fall, 1990.
